

## Start your Para to Teacher Journey

As a Paraeducator you understand how to help students learn, are comfortable in the classroom and are already an integral part of our school community. If teaching interests you, we would like to help you take the next step to grow professionally and achieve your goals.

### Purpose:

The purpose of the Scottsbluff Public Schools Para to Teacher program is to help SBPS Paras access the resources and support to become a certified teacher.

### Who Can Apply:

Any currently employed SBPS Classified staff member in good standing with the ability to be accepted at an accredited post-secondary institution.

### How we will support you:

- The opportunity to be a part of a cohort of individuals working together towards the same goal
- Maintain your current employment while earning a degree
- Mentoring/tutoring support from current and retired certificated staff
- Praxis preparation
- Flexible scheduling - administrative support
- Information to help navigate the college application/financial aid/certification process
